"CAYCE MONTHLY BOOK CLUB"

Members of the Berkeley A Search for God Study Group are starting a new group that we are calling the "Cayce Monthly Book Club". Group members will select a 'Cayce' book they think the group will enjoy reading and which will lead to interesting and meaningful discussions among the group members. It is the hope of this group that the members will find new practical strategies to help them turn their stumbling blocks into steppingstones by way of comradery and laughter as they walk their daily spiritual path to enlightenment.
